Nos Galan - "Winter" Traditional Welsh

1. Now the joy-ful bells a-ringing All-ye-mountains
2. Dear our hearth as dear none-oth-er Where-the-mountains
greet the sun Lift our hearts like birds a-wing-ing
greet the sun Glad-ly here our cares we-smother
All-ye-mount-ains greet the sun Now our fest-al
Where the mountains greet the sun Here we greet our
sea-son bring-ing King-folk - gather every one
hea-then Brothers Sis-ters, Kin-sfolk every one
Sets our cheery voi-ces singing All-ye-mountains greet the Sun!
Here we hon-our An-cient Mothers where the mountains greet the Sun!

verse 3 Cold the year, new whiteness wearing

All ye mountains greet the sun

Peace, good will to us a-bearing

All ye mountains greet the sun

Here we all Frey's goodness sharing

Now the feasting has begun

Bright our hearth fire's flames are burning

Where the mountains greet the sun.
