① Folk are gath'ring in the Frith Garth chorus On this Night in hof and homeste
Sunna's setting in the sky Ancient Mothers will draw near
Fallow fields are lying leaders Light the fire and follow with fea
As Notts chariot draws nigh Honour them with ale and beer.

② To the Hof our kinsfolk come chorus
Gothi signs the shining mead
Calls on Frey & Freya to fare to us
Blessings Bring and Holy Rede.

③ At the door a waiting Wand'ner chorus.
Asks admittance to the hof home
Lead him forth to feast by the fire
For this Night he need not roam.
